

## DP2505C 2.5HP 5-Gallon Oil-Lube Wheeled Portable Air Compressor

The Puma single stage 5 gal. single tank wheeled portable air compressor is built for optimum performance and portability. Powered by 2.5HP 115VAC 3450 RPM induction motor, combined with Puma cast iron large bore single stage direct drive oil lubricated compressor pump, the maximum performance, reliability and durability is achieved

The rugged roll cage construction, folding handle, and 10" steel wheels, inflatable tires provide great protection, space saving, and portability.

It features

- Built in regulator and two quick couplers for easy access to compress air.
- Two recessed gauges protected by panel,
- Built in storage compartment,
- Power cable wrap for cable storage.
- CSA Certified.
